

Dr. James A. Thompson, MD

Consultant –
Pediatric, Cardiology

- Dr. Thompson is a graduate of the University of North Carolina at Chapel Hill School of Medicine. He completed his pediatric internship and residency at Children's National Medical Center in Washington, D.C. In his final year of residency, Dr. Thompson served as Chief Resident. He completed his pediatric cardiology fellowship at the University of California at San Francisco in June 2001.
- Dr. Thompson's interests include interventional cardiology and the critical care of infants and children with heart disease. He is involved in research investigating devices to close holes in the heart without surgery, currently acting as principle investigator for the Stroke/PFO trial and Migraine/PFO trial. He has personally performed more than 450 device closures, and has presented his research at national and international meetings and has had his work published. He currently serves as the Chief of the Division of Pediatric Cardiology at Inova Fairfax Hospital.
- Dr. Thompson is board certified in pediatrics and pediatric cardiology, and is a member of the American Academy of Pediatrics and Fellow of the American College of Cardiology.
