

Mr Taher Shams

President

Zulekha Healthcare Group

A gold-medallist in Marketing & Finance, Mr. Taher Shams began his career with The Zulekha Group and has grown through the ranks on the back of a wide spectrum of contributions.

His hands-on involvement in daily ops and management brings a unique progressive touch to healthcare management. Mr. Shams is credited with most of the prolific growth registered by The Zulekha Healthcare Group and his application towards propelling the healthcare marketing style of the Group has been revolutionary in the region.

Mr. Shams also brings to healthcare marketing the demonstrative influence of information technology forging innovative IT solutions to strengthen the healthcare framework. His innovative approach to optimize the usage of new age technology has proved beneficial time and again for the group's patrons and the Group's website, Paperless Intranet and Blackberry Solutions are path-breakers for the region.

Mr. Shams also takes personal involvement with great pride and contributes dynamically in several committees that are instrumental in driving the Group towards excellence. Currently he holds stead as the Zulekha Group takes on three ambitious projects in the healthcare sector of UAE as well as India and also branches out to non-medical verticals such as Education in India.
