Dr. Neeta Warty

Specialist – Obstetrics & Gynecologist & Laparoscopic Surgeon
Zulekha Hospital - Dubai & Sharjah

Dr. Neeta Warty is a renowned and respected Gynecological Endoscopic Surgeon from Mumbai, India, internationally known for her precise and immaculate gynecological dissections and path breaking innovative surgeries. Her name finds notable mention in the Guinness Book of World Records and the Limca Book of Records for Laparoscopic removal of the heaviest uterine fibroid ever reported in the world.

Her work is a gold standard in Gynecological Endoscopy, and a source of inspiration for all gynecological laparoscopic surgeons. A large number of laparoscopic surgeons practicing today have trained under her guidance. She has worked with international stalwarts in the field of Laparoscopic Onco-Gyneacology and has a keen interest in research oriented work.

She specializes in the areas of advanced laparoscopic surgeries, like Laparoscopic Pelvic Floor Repair for Prolapse, Tubal Reconstructive Surgeries, Laparoscopic Hysterectomies, Gynecological Malignancies including Lymph Node Sampling, Treatment for Stress Urinary Incontinence, Corrective surgeries for Uterine Malformations.
