

Mr. Taher Shams

Managing Director
Zulekha Healthcare Group

Mr. Taher Shams has been associated with **Zulekha Healthcare Group** for over 25 years. He leads his teams with a vision of placing the Group in the league of the best healthcare providers in UAE and India, working persistently on his mission to establish centres of excellence in key specialities. He is an ardent management professional responsible for the daily and overall operations of the Group including Alexis Multispeciality Hospital in India and Zulekha Hospitals, Clinics and Pharmacies in UAE.

Within Zulekha Healthcare Group, Mr. Shams has grown through the ranks off the back of a wide spectrum of contributions. His business acumen and convivial nature have added to the accelerated advancement of the group and its subsidiaries ensuring quality healthcare and education services in UAE and India. He has made immense contribution to the development of the healthcare sector in the region with his strategic insights to research by public institutions including The Oxford Business Group Report on the region's socio-economic developments.

The prolific growth registered by the Zulekha Healthcare Group is credited to Mr. Shams' judiciously focussed initiatives. His dedication to support all the functional teams in strengthening their regional and international presence has been exemplary. With state-of-the-art facilities, qualified global specialists and cutting-edge technology solutions, the healthcare group has scaled greater heights providing specialised treatments in over 30 disciplines.

Mr. Shams has been honoured as an adept healthcare leader and features on the Forbes Middle East list of Most Influential and Powerful Next Generation Indian Leaders.

He received his Master's in Business Administration from the University of Lincoln specialising in Marketing, Finance and Information Technology.
